## Request For Customer bizSAFE Status (Pre-Quotation) Information

Thank you for your RFQ for our consultancy service to bring you to bizSAFE Level 3 certification by the WSH Council.

Please help us understand your operations and existing bizSAFE status better by responding as accurately as possible to the following questionnaire before we could revert to you with our Service Quotation. Please fax over this completed pre-quotation survey form to us at +65 **62723598** or scan and e-mail it back to us at [info@asdin.sg](mailto:info@asdin.sg) the soonest possible.

|   |         |                 |                          |
|---|---------|-----------------|--------------------------|
| Company Name:   |         |                 |                          |
| Address/Location:                                     |         |                 | Singapore (      ).      |
| Industry Type:  |         | No. of Workers: |                          |
| Contact Person:                                       |         | Appointment:    | <input type="checkbox"/> |
| Contact Details:                                      | E-Mail: | Tel:            | Fax:                     |
| Nature of Business:                                   |         |                 |                          |
| We have Off-site operations, including the following: |         |                 |                          |

Please **circle** the **Y** (for "Yes") or **N** (for "No") in the check boxes.

|   |   |  |
|---|---|--|
